

FVCode3D::ExporterVTU
::exportWithProperties

main

```
graph RL; main --> FVCode3D::ExporterVTU::exportWithProperties;
```

The diagram illustrates a function call. A box on the right labeled 'main' has a blue arrow pointing to a larger box on the left. The left box contains the text 'FVCode3D::ExporterVTU' on the top line and '::exportWithProperties' on the bottom line. The left box has a light gray background and a black border, while the 'main' box is white with a black border.
